Product Information

| | |
|-----------------------|--------------------------|
| Range | External |
| Type Of Magnet | External EM Lock |
| Status | Monitored |
| Door Supported | Single |
| Finish | Satin Anodised Aluminium |

Technical Data

| | |
|-------------------------------------|-----------------------------|
| Magnet Size (L x W x D) | L222 x H63 x D40 |
| Length (mm) | 222 |
| Width (mm) | 63 |
| Depth (mm) | 40 |
| Nom Holding Force (Per Door) | 500 lbf (2220N) |
| Input Voltage | 12 / 24V DC |
| Input Current | 500mA at 12V / 250mA at 24V |

Suitable Brackets

| | |
|--------------------------|---------|
| Z & L Bracket | AEMB056 |
|--------------------------|---------|
